PROFESSIONAL EXPERIENCE

Technical Support Representative - XCM Sourcing (Videotron) | Dec 2020 - Jun 2026

- Delivered bilingual frontline technical support for internet, mobile, telephony, account and service issues in a telecom support environment.
- Troubleshoot connectivity, modem/router, Wi-Fi, device configuration, VPN/DNS-related and network access issues through structured diagnosis.
- Guided non-technical users through remote resolutions with clear step-by-step communication in French and English.
- Documented incidents, customer interactions and troubleshooting steps in CRM/ticketing workflows; escalated complex cases with useful context.
- Balanced technical accuracy, customer reassurance, quality expectations and customer satisfaction targets across daily support interactions.

Customer Service Team Member - Tim Hortons | Jun 2026 - Present

- Provide fast, accurate customer service in a busy, team-based environment while maintaining professional communication.
- Process customer transactions and service requests with attention to accuracy, speed and service standards.
- Strengthen Canadian workplace experience through reliability, teamwork and direct customer interaction.

Web Developer / Automation Builder - OMA Digital | 2015 - Present

- Build and maintain web applications, APIs and automation workflows using modern web technologies.
- Create practical business automation solutions and portfolio projects that reinforce troubleshooting, systems thinking and documentation.
