PROFESSIONAL EXPERIENCE

Technical Support Representative - XCM Sourcing (Videotron Project)

Dec 2020 - Jun 2026

- Delivered bilingual frontline technical support for Videotron internet, Wi-Fi, mobile, telephony, account and service issues in a high-volume customer support environment.
- Diagnosed connectivity, modem/router, device configuration, VPN/DNS-related and network-access issues through structured remote troubleshooting.
- Guided non-technical users through clear step-by-step resolutions in French and English and de-escalated challenging interactions professionally.
- Documented customer interactions, diagnostic steps and resolutions in CRM/ticketing workflows; escalated unresolved incidents with complete technical context.
- Followed established procedures, quality standards and service expectations while balancing technical accuracy and customer satisfaction.

Customer Service Team Member - Tim Hortons

Jun 2026 - Present

- Provide reliable customer service in a fast-paced Canadian workplace, processing transactions accurately and communicating professionally with customers and team members.

Web Developer / Automation Builder - OMA Digital (Freelance / Part-time)

2015 - Present

- Build and maintain web applications, APIs and automation workflows, strengthening systems thinking, troubleshooting, documentation and client communication.
- Create practical business solutions using modern web technologies, databases, integrations and workflow automation tools.

EDUCATION AND LANGUAGES

Bachelor's Degree in Management Information Systems - Universite de Thies, Senegal

French: TCF Canada - Listening C1, Reading C1, Writing C1, Speaking B2 | **English:** Professional working proficiency | **Wolof:** Native
