Active Directory basics, Microsoft Entra ID basics, Remote Desktop, CRM/ticketing systems, Zendesk exposure and knowledge-base documentation

PROFESSIONAL EXPERIENCE

Technical Support Representative | XCM Sourcing - Videotron Project | Dec 2020 - Jun 2026

- Provided bilingual first-line technical support by phone and digital channels for internet, Wi-Fi, mobile, telephony, account-access and service issues.
- Diagnosed Windows/macOS and mobile-device connectivity issues, modem/router configuration, VPN/DNS-related problems and network access through structured remote troubleshooting.
- Guided non-technical users through clear step-by-step resolutions in French and English, including difficult interactions requiring patience and de-escalation.
- Logged symptoms, diagnostic steps and resolutions in CRM/ticketing workflows; categorized incidents and escalated unresolved cases with complete technical context.
- Worked within quality, procedure and service expectations while balancing technical accuracy, resolution efficiency and customer satisfaction.

Web Developer / Automation Builder | OMA Digital (Freelance / Part-time) | 2015 - Present

- Build and maintain web applications, APIs, databases and automation workflows, strengthening systems analysis, troubleshooting, documentation and client consultation.
- Use JavaScript, TypeScript, PHP, Python, MySQL, REST APIs, Git/GitHub, Supabase and n8n to deliver and support practical technical solutions.

Customer Service Team Member | Tim Hortons, Campbell River, BC | Jun 2026 - Present

- Provide reliable service in a fast-paced Canadian workplace, follow procedures and communicate professionally with customers and team members.

EDUCATION, LANGUAGES & WORK AUTHORIZATION

Bachelor's Degree in Management Information Systems - Universite de Thies, Senegal

Languages: French - TCF Canada NCLC 8/8/8/9 | English - Professional working proficiency | Wolof - Native

Work authorization: Valid employer-specific, LMIA-exempt Canadian work permit under the Francophone Mobility Program, valid until 2029. A change of employer requires the applicable employer-side process and approval of an updated work permit.
